Lunch and Learn Program*

iPad for Intermediate Users

You've mastered the basics, now let's go further! In this workshop we will be learning how to get the most out of the iPad's native apps such as Mail, Contacts, Calendars, Facetime and Camera. We will also discuss choosing, downloading and restoring purchased apps from the App Store. Please make sure you know your Apple ID and Password!

QUESTIONS???? Email the instructor beforehand and she will try to include the topic in her discussion! Terri Piekara
