

Reading To Rover

Weston Youth Services Director, Michelle Albright, will be bringing her ROAR (Ridgefield Operation Animal Rescue) certified therapy dog, Nellie, to the Weston Public Library!

The use of trained therapy dogs in reading programs can result in children who feel comfortable reading out loud, read more often, attempt more difficult books, and actually look forward to reading. As they improve their literacy skills, they're not just learning how to read, they're learning to love to read! Children must read independently to participate in this program.
