

Attention Minecrafters and Builders!

The Weston Public Library is pleased to announce its Fall Minecraft and Builder Workshop dates! Mark your calendars!

Minecrafters, bring your laptops!
Builders, bring your creativity!
We will also have Minecraft on the PS3!

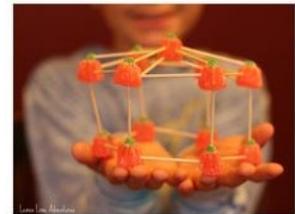

Sunday, September 20th, 1-3PM

Minecraft Meetup - Bring your laptop and play on our server or yours!
Lego Ballon Racecars - Build your own and race against your friends!

Sunday, October 25th, 1-3PM

Minecraft Meetup - Bring your laptop and play on our server or yours!
Pumpkin Toothpick Towers - How tall can you build your tower?
Join us for our Halloween spin on this popular building project.

Sunday, November 15th, 1-3PM

Minecraft Meetup - Bring your laptop and play on our server or yours!
Lego Parachute - Design a parachute to slow the fall of Lego man!

Caregivers must remain in the Library. For information on the Fairfield County Minecraft Server, please visit: www.fcminecraft.org/.
