

## **About The Directory**

This Directory was developed by the Weston Department of Social Services to provide Weston families and seniors with a comprehensive guide to businesses owned by Weston residents. In these difficult economic times, we wish to promote the idea of community and Weston neighbors helping each other.

Directory entries are for information purposes only. No independent evaluations of provider qualifications and/or quality of service have been made and inclusion does not constitute an endorsement. All listings are subject to change and updates may periodically be incorporated in the online edition available at the Town Web Site.

Please send any changes, corrections and/or comments to the Department of Social Services at 24 School Road, PO Box 1007, Weston, CT 06883 or [wpetty@westonct.gov](mailto:wpetty@westonct.gov).

We hope you will find the Business Directory useful.

Wendy Petty  
Weston Department of Social Services

Lynda Crowell, principal of LDC Designs, LLC has been serving the community for over six years. Lynda has earned her AKBD certification through the National Kitchen and Bath Association.

My design process includes the following services:

Initial measurements, two to three floor plan options, selection and revision of one floor plan, elevations, one revision of elevations, final measurements, quotes from chosen cabinet makers.

We pride ourselves on using local artisans as well as larger manufacturers of custom and semi custom cabinetry to ensure you get the exact result you are looking for within your budget.

Post Design/Project management process:

Working closely with the contractor and cabinet maker during the duration of the project; from the ordering process through installation of cabinetry to completion of the project, one shopping trip for fixtures, one shopping trip for tile and stone and securing fabricator for stone and overseeing its installation.
