

About The Directory

This Directory was developed by the Weston Department of Social Services to provide Weston families and seniors with a comprehensive guide to businesses owned by Weston residents. In these difficult economic times, we wish to promote the idea of community and Weston neighbors helping each other.

Directory entries are for information purposes only. No independent evaluations of provider qualifications and/or quality of service have been made and inclusion does not constitute an endorsement. All listings are subject to change and updates may periodically be incorporated in the online edition available at the Town Web Site.

Please send any changes, corrections and/or comments to the Department of Social Services at 24 School Road, PO Box 1007, Weston, CT 06883 or wpetty@westonct.gov.

We hope you will find the Business Directory useful.
