

Commission for Children & Youth
Minutes from the April 26, 2010 special meeting

In attendance: Commission members: Nancy McCormick, Dan Doak, Lynn Phillips, Ellen Weyrauch, Matt Kalmans, Jeff Drobner, Carl Filsinger,
Staff: Kristin Ferrara, Charlene Monn. Guests: Charlene Hillman and Jennifer Skor.

Nancy called the meeting to order at 5:23 pm. The approval of the March minutes was put off to the May meeting.

Kristin made her report. She spoke about the Youth Coalition Meeting and also about the panel being held after the next WHS PTO meeting to re-roll out the survey results from the tri town survey. Panelists will include Archie Swindell, Katie Liebenberg, and Pam Kelly. Kristin is going to a professional development seminar on the Essentials of Asset Building. She is also looking to increase the collaboration with Parks & Recreation. She is also exploring doing a survey of WOW parents. It hasn't been done in quite a while and needs to take place. This helps to gauge how the program is doing.

Charlene presented her office report. She spoke about WOW programs and how enrollment was down this spring session. There was discussion about all of the other activities offered to children in the spring including sports. Year to year our financial numbers are good. The summer camps seem to be pacing nicely, however so should be okay.

Nancy talked about the recruitment of student commissioners. She will get the applications to Dan and he will make an announcement at the school. Nancy also addressed the June 7th planning meeting and how if any board member wants to see a particular item on the list for discussion to please get it to Nancy in advance.

Since there was no old or new business to discuss, the meeting was adjourned at 6:15 pm on a motion by Lynn Philips, seconded by Ellen Weyrauch.
