

Code Red Message 2/13/14 11:00 am

According to the National weather service, the Nor'easter that we are currently experiencing is expected to dump 12-18 inches of snow on Weston. A Winter storm warning remains in effect until 6 am Friday morning. Currently, visibility is extremely limited, and we are urging all Weston residents to stay off the roads. Vehicles cannot be left on public roadways, as they are impacting our ability to properly plow the roads. I have issued an Emergency declaration, and all vehicles left on the roads will be towed at the owner's expense. As a reminder, it is illegal to plow snow from your driveways onto roads. Working together, I know we can ensure the safety of the entire community.
