Office of Town Administrator

Cavalry Road Bridge Replacement Project

Dear Current Resident(s),

This is to inform you that a Public Information Meeting for the above-referenced project has been scheduled for February 20, 2019 at the Weston Town Hall Meeting Room, 56 Norfield Road.

Representatives from both the Town of Weston and the Town of Westport will present the recommended bridge type replacement option and other construction-related details. Residents are encouraged to take advantage of this opportunity to learn about the project at this preliminary juncture and to ask questions and make comments.

At present, it is estimated that construction would commence in the spring of 2021. Any project related questions before or after the Public Information Meeting may be addressed by contacting me via phone or email (see contact info below).

Sincerely,

Jonathan Luiz
Weston Town Administrator
