PRESENT: Present: Richard Wolf, Pam Bochinski, Stewart Pearl, Benjamin Hume; Margaret Wirtenberg.

### PREPARATION FOR THREE MEETINGS (ALL TAKING PLACE IN TOWN HALL MEETING ROOM)

There will be three (3) meetings for which the Committee needs to be prepared: March 30, March 31 and April 2.

#### March 30

After discussion, it was agreed to have the consultants carry the presentation on Wednesday, March 30, 2011 with input when required from the Committee (i.e.introduutory remarks). Wirtenberg was asked to confirm Town TV videotaping for this event.

Maps of the location of the Fromson Strassler site within the Town of Weston and then at a scale showing road access to the site will be required. Perhaps the Town land use staff can assist.

#### March 31

The next evening at 7:30pm the Board of Selectmen will be hosting an open public session to hear comment on the Cemetery idea, as it is understood at this time.

#### April 2

Saturday morning at 10:30am in the Town Hall Meeting Room without the consultants, the Cemetery Committee will present to those in the community who did not have the opportunity to be in attendance the previous Wednesday. All maps and other data will be presented again.

Discussion continued, with agreement that an official agenda was needed for the two meetings to be held by the Cemetery Committee (since they are public meetings). It is hoped to have sufficient information released and communicated to the community through several outlets including the Weston FORUM to assist in getting turnout for the Referendum on April 14.

The meeting adjourned at 8:55pm.

Respectfully submitted;

Margaret Wirtenberg, Acting Sec'y
