Bring in all this information to Joan Lewis, Administrative Assistant to the Conservation Commission at Town Hall, one week or more, prior to the meeting date. The agenda is sent out at noon on Wednesday before the Tuesday meeting.

The Commission meets the third Tuesday of every month at 7:30 p.m. in the Conference Room located at Town Hall Annex, 24 School Road.

You will be notified by mail with an agenda of the meeting.

Each application takes two or more meetings depending upon the activity. If the application is complete, it will be received at the first meeting. The Commission will take a site walk which will occur on a Saturday morning between 8 a.m. and 10:30 a.m., date of which will be announced at the meeting. At the second meeting, hopefully the application will be approved.

If you need help with your wetland activity, our Conservation Planner, Fred Anderson is available at 222 2681. Or you can call Joan Lewis, Administrative Assistant to the Conservation Commission at 222 2618.

**Attachment to Applications to the Weston Conservation Commission, Planning & Zoning Commission and Board of Zoning Appeals**

**Notification Process for Applicants with Projects in Public Water Supply Watersheds or Aquifer Protection Areas**

Effective October 1, 2006, the Commissioner of the Connecticut Department of Public Health (CTDPH) must be notified by applicants before the Town's Conservation Commission, Planning & Zoning Commission, Zoning Board of Appeals for any project located within a public water supply watershed or aquifer protection area. This notification is in addition to the required notification to the water companies. Any forms of past notification to the water companies are not changing with this new CTDPH notification requirement.

The process that an applicant must follow to satisfy the new CTDPH notification requirement is:

1. Refer to the map "Weston, CT Public Drinking Water Source Protection Areas" to determine whether your project falls within a public water supply watershed or aquifer protection area. The map is available for viewing at Weston Town Hall in the Planning & Zoning Commission's Office and in the Conservation Planner's Office.
2. Go to the CTDPH website at <http://www.dph.state.ct.us>
3. Click on "Programs and Services"
4. Click on "D" and then "Drinking Water Section"
5. Click on "Source Water Protection" on the right hand side menu
6. Click on "Notification Process Under PA0653"
7. Click on "Notifying us using our online form"
8. Complete the Public Water Supply Watershed or Aquifer Area Project Notification Form and submit the form by clicking on the "Submit Form" button.
