

DRAFT

WESTON HISTORIC DISTRICT COMMISSION MINUTES

HELD May 2, 2018

PRESENT: Paul Deysenroth (Chair); Lynne Langlois; Carol Baldwin; Chris Kimberly; Naomi Bleifeld, Kathy Failla (alternate)

Absent: Roland Poirier

Also in attendance: Jonathan Luiz, Weston Town Administrator, Allen Swerdlowe, Chair, Building Committee, Amy Sanborn, Chair, Library Board

Meeting began at 8:03pm. Held in the Town Library.

Naomi was asked to serve as a full member versus an alternate for this meeting.

The Commission met to discuss new roofing for the Town Library, which is located in a National and Weston Town Historic District.

HB Fishman was hired to do an existing conditions analysis report, which determined some of the flat roof and the shingles on the library's newer addition need to be replaced.

The Building Committee is suggesting replacement wooden shingles to be used that match the design, color, and shape of the current wood shingles.

The Weston Historic District Commission endorses the replacement of the existing roof above the library's addition with the same material as is currently on the roof.

The meeting adjourned at 8:30 pm.

Our next regularly scheduled meeting will be held Wednesday June 6, 2018.
