

Weston Public Library
Board Meeting of March 3rd, 2009
Town Hall Meeting Room

Board Members Present: Henderson, Langlois, Loeb and Sanborn

Given that the Board was one member short of having a mandated quorum, no official business was conducted at the meeting.

It was reported that Michael Bellacosa has been selected as the Board replacement for Helene Weatherill.

Dennis Toner and Marilyn Parker, two potential replacements for the Board seat vacated by Bruce Angeli, attended the meeting and introduced themselves to the Board members who were present.

Following some general discussion, the meeting adjourned at 8:50 PM. There was no motion made since no official business was conducted.

The next meeting is scheduled for April 7th, 2009.
