

Weston Town Committee for the Oversight of the Lachat Property

MINUTES

May 14, 2013

Present: Committee Members: Ellen McCormick (chair), Amy Kalafa, Carol Baldwin, Paul Deysenroth, Nicholas Bell, Judy Saffan, Michelle Fracasso (Guest: Margaret Wirtenberg)

Presided By: Ellen McCormick,

Meeting was called to order at 7:50 p.m.

- A. The meeting centered on preparation for our presentation of our Master Plan to the Board of Selectman on Thursday, May 16, 2013.
- B. A drawing of the Master Plan prepared by Monique Bosch was discussed (Monique could not attend the meeting). There were concerns about scale issues in the drawing as well as that it did not include the whole property nor overlays for Phases 2 and 3, as we had anticipated. The Committee decided to go ahead with our presentation to the Board of Selectman, make some alterations to the drawing ourselves, and present it as “conceptual.”
- C. Irrigation: Nick discussed options for irrigation, including a Rain/Farm pond, digging two shallow wells, and/or using the three existing wells. Nick stated that the newest well fills at 4 gallons/minute.
- D. Four interns who will be working with the Town Sustainability Committee will be able to help at Lachat Farm from May 20 through June 14.

Meeting was adjourned at 9:50 pm.

THE NEXT SCHEDULED MEETING WILL BE HELD ON Tuesday, June 4 AT 7:30 PM in Town Hall.
