

Lachat Town Farm Flea Market and Tag Sale

Call to Action for All Vendors and Sellers

Saturday, October 10, 2015 - 10:00am - 4:00pm at 106 Godfrey Road West - Sustainability is an integral component of our Mission at Lachat Town Farm. That is why we are staging this Flea Market/Tailgate Tag Sale, a time-honored way to recycle or repurpose merchandise.

We invite all vendors/sellers of collectibles, vintage stuff, plus a wide variety of merchandise, garden tools, art & photography, crafts and other handmade items, and home goods. Can't get your car in the garage because you have too much stuff? Now's the time to get rid of it and come to the field at Lachat, drive your car in, open the tailgate or doors and sell from your car. It's going to be a fun day so join us and have some of that fun and make some money too. Make sure you bring items that someone would want and not broken or chipped merchandise.

Vendors and Sellers are asked to make a nominal \$25.00 Contribution to Friends of Lachat for a 10'x20' space. Sellers should be there early: from 8:00 to 9:30 to get ready before opening at 10:00 am to 4:00 pm for buyers. Go to www.lachattownfarm.org to sign-up for a space in the field.

Buyers are welcome to come for free. There will be refreshments in the barn.

Rain or Shine!
