Re: Cost Estimates  
Weston Dog Park

Jonathan:

Enclosed are cost estimates for the proposed dog park to be located on Lords Highway East. The costs include total price of road, parking, turn around, fencing and signage. The costs listed are preliminary at this time and will most likely change once the project is sent out for construction bids.

A handwritten signature in black ink, appearing to read "John Conte". The signature is fluid and cursive, with the first name "John" being larger and more prominent than the last name "Conte".

John Conte P.E.
