Weston Rec. Scuba

April 1st & 2nd

This scuba certification program in has three sections. These include on-line academics, two pool sessions, and four openwater qualification dives. The openwater dives (not included in the cost of this course) can be accomplished locally during the summer and fall aboard the Silver Dolphin or on a weekend Florida trip in the spring and winter. You may also elect to purchase a Referral package and go anywhere in the world. When you sign up for the class you will need to also purchase your online eLearning package (\$79.95 for NAUI or \$179.95 for PADI). The studies need to be completed prior to the first pool session on Saturday (weekday evening pool sessions also available on request).

The course fee includes text book, syllabus, instruction, facility fees, a free subscription to Dive Training Magazine, and the use of the scuba gear for the pool. All students must have their own scuba quality mask, fins, boots, and snorkel. These items should not be purchased prior to the completion of the first three chapters of the studies. Student discounts are available in our dive shop.

Upon successful completion of this course and the openwater qualification dives, the student will receive their Scuba certification card. Both PADI and NAUI certification cards are internationally recognized.
