

Weston Public Library Presents
Fall 2015

Tech Tips

Series

Get the Most Out of Your Tablet

September 29, 3PM

Join our resident experts to learn how you can access free movies, eBooks, audiobooks, magazines and more on your tablet. Space is limited! Please RSVP to westonlibrary@westonct.gov.

Using your iPhone and iPad for Photography

October 8, 12:30PM

Join Weston's favorite Apple guru, Terri Piekara, for a 1 ½ hour workshop where you will learn how to access, edit, organize and share photos that you take on your iPhone or iPad. Terri will explore the camera settings and discuss a variety of photography apps.

Home Movie Magic: Converting Your VHS Tapes to Digital Files

November 12, 3PM

Just in time for the holidays! Bring your favorite home movie on VHS and learn how to convert it to a digital file! We will provide an introductory lesson on using a VHS to digital converter, and then you can come back at your convenience to convert your tapes. Space is limited! Please RSVP to westonlibrary@westonct.gov.

eBay for Intermediate Users

December 3, 12PM

Join Weston resident and eBay expert Russell Wayne for an encore to his Spring eBay program and learn the next steps in selling your treasures through this popular e-commerce company.

All programs are free of charge.

Visit www.westonpubliclibrary.org for more information on these programs
or call 203-222-2665
