How safe is  
your identity?

## **Identity Theft Protection With Michael Lentini**

We live in a fast-paced, technological world. Scammers are all around us, whose only goal is to steal your financial information to commit fraud. What can you do to prevent this from happening? Michael Lentini, Banking Examiner in the Government Relations and Consumer Affairs Division will share tips on how to avoid identity theft and minimize your risk of becoming a victim.

**Thursday, April 9, 12PM**

**This program is free and no registration is required.  
Please feel free to bring a bag lunch.**
