Dear Taxpayer,

In order to appeal the assessment of your personal property, the Board of Assessment Appeals requires that you submit the following information with your application:

- Form 4562 and Schedule L from the most recent Federal Income Tax Return. General Ledger and location fixed asset records can be used for consolidated returns.
- The detailed depreciation schedule in support of the above, showing original cost and acquisition years. This may be obtained from the accountant who prepares your federal return and should be updated through October 1, 2006
- A detailed listing of fixed assets recorded as Leasehold or Building Improvements along with supporting documentation for any items, which the Company claims to be included as realty.
- A listing of all leased equipment along with copies of the lease agreement

Failure to comply with this request will result in the denial of your petition for a reduction of your personal property assessment.
