THE DETAILS:

Come enjoy our reformatted day camp! Jr. Eagles camp takes much of what you've loved in summers past and added exciting new adventures, games and fun! Activities include American Red Cross swim lessons on Mondays and Wednesdays at Weston Middle School pool, visits to Bisceglie pond (weather permitting), arts and crafts, water play, story time and activities at the Weston Library and picnic lunches. This year children will also experience *Animal Embassy*— a animal adventure group that will visit camp. New for this year we will also welcome *Little Kickers* karate instructor; Kerin Whitmore. *Little Kickers* teaches children the basics of karate, control and discipline through lots of fun games and activities. The lessons will be structured around mindfulness ending with yoga to center and ground them.

STAFF: Sandy Bucaro, eight year Nursery School teaching experience and Math aide at Hurlbutt elementary school and Ginny Campbell, certified teacher at the Greenfield Hill Nursery School along with experienced staff.

If you have a specific question about Jr. Eagles or have a specific medical issue you wish to discuss please email Sandy at sandyjr.eagles@gmail.com
