Thursday Morning Book Club – *The Dinner* by Herman Koch

Thursday, July 10 at 10:30 AM

"An internationally bestselling phenomenon: the darkly suspenseful, highly controversial tale of two families struggling to make the hardest decision of their lives—all over the course of one meal.

It's a summer's evening in Amsterdam, and two couples meet at a fashionable restaurant for dinner. Between mouthfuls of food and over the scrapings of cutlery, the conversation remains a gentle hum of polite discourse. But behind the empty words, terrible things need to be said, and with every forced smile and every new course, the knives are being sharpened." - Amazon

Wednesday Evening Book Club – *The Rosie Project* by Graeme Simsion

Wednesday, July 16th at 7:30 PM

The art of love is never a science: Meet Don Tillman, a brilliant yet socially inept professor of genetics, who's decided it's time he found a wife. In the orderly, evidence-based manner with which Don approaches all things, he designs the Wife Project to find his perfect partner: a sixteen-page, scientifically valid survey to filter out the drinkers, the smokers, the late arrivers.

Rosie Jarman possesses all these qualities. Don easily disqualifies her as a candidate for The Wife Project (even if she is "quite intelligent for a barmaid"). But Don is intrigued by Rosie's own quest to identify her biological father. When an unlikely relationship develops as they collaborate on The Father Project, Don is forced to confront the spontaneous whirlwind that is Rosie—and the realization that, despite your best scientific efforts, you don't find love, it finds you.

Arrestingly endearing and entirely unconventional, Graeme Simsion's distinctive debut "navigates the choppy waters of adult relationships, both romantic and platonic, with a fresh take (*USA TODAY*). "Filled with humor and plenty of heart, *The Rosie Project* is a delightful reminder that all of us, no matter how we're wired, just want to fit in" (*Chicago Tribune*) – from Amazon

Movie Night Feature Film – *The Secret Life of Walter Mitty* (PG)

Wednesday, July 16th at 7 PM

A daydreamer escapes his anonymous life by disappearing in a world of fantasies, filled with heroism, romance and action. When his job along with that of his co-worker is threatened, he takes action in the real world embarking on a global journey that turns into an adventure more extraordinary than anything he could have ever imagined. – from *IMDb*. Starring Ben Stiller, Kristen Wiig and Jon Daly. Free popcorn and water! Come and enjoy the movie!
