

- 32 b) Other Unfinished Business
- 33 i) Responding to a question from Mr. Uzenoff, Mr. Ungar said he
34 is awaiting delivery of the MFP human history sign.
- 35 4) Reports of standing committees and resulting motions:
- 36 a) Administrative Committee. No Report
- 37 i) Mr. Juneau stated he is trying to keep meaningful email in front
38 of the WPRC. The commission discussed recent emails from
39 Weston Soccer President Phil Shaner. For spring 2009 WSC
40 will coordinate with Dave Ungar in order to have P&R cut the
41 fields just prior to their initial professional lining of those fields.
- 42 b) Aquatics Committee (Mr. Mello). Mr. Ungar reported:
- 43 i) Middle School Pool summer maintenance was completed and
44 the pool water warmed up quickly with the recently renovated
45 boiler.
- 46 ii) BSP Pond: Anecdotal evidence suggests attendance was down
47 this year, probably due to poor weather. Attendance report is
48 forthcoming from Aquatics Director Lynn Stevens. Mr. Mello
49 was very curious as to the exact deficit at which the town ran
50 BSP for 2009. Mr. Ungar will send this report via email to
51 WPRC as soon as it is completed.
- 52 c) Fields Committee (Messrs. Juneau, Bernstein).
- 53 i) Mr. Ungar, responding to a question from Mr. Juneau about rain
54 sensors, said the town uses rain sensors at BSP and Revson to
55 regulate automatic irrigation. Mr. Ungar will have a rain sensor
56 installed at MFP. Admin Field probably does not warrant a
57 sensor.
- 58 ii) Mr. Ungar reported BSP grass play areas have been prepared
59 for play. Pitchers mounds will be prepared soon.
- 60 iii) Revson turf is in sub-optimal condition. Per Dr. Dest's
61 suggestion, Mr. Ungar will have the grass and weeds cut lower
62 in order to enhance play (ball will still roll over low-cut weeds).
63 This is for fall Babe Ruth Baseball program.
- 64 iv) South House fields: P&R has completed repairs to Coley Field
65 backstop and has also installed metal fencing to prevent balls
66 from landing in the police department parking lot.
- 67 d) Parks Committee (Mr. Bernstein). Mr. Ungar reported that the
68 town's insurance carrier came to inspect playgrounds for safety,
69 and were 1) Very impressed with Park Project playground at BSP,
70 and 2) Recommended minor repairs to Keene Park playground
71 equipment.

- 72 e) Programs
- 73 i) Mr. Ungar will distribute the Programs spreadsheet to the
- 74 WPRC prior to the October regular meeting.
- 75 ii) Due to high school budget cuts, P&R will be running some
- 76 intramural programs possibly including field hockey and
- 77 volleyball. Mr. Juneau wondered how much, if any, money was
- 78 being saved, since the students paid a fee last year and will pay
- 79 a fee this year.
- 80 5) New Business - None
- 81 6) Correspondence – The Commission discussed recent correspondence
- 82 from Weston Soccer Club president Phil Shaner.
- 83 7) Announcements, remarks for the good of the order.
- 84 a) Mr. Juneau welcomed Mr. Eric Albert to his first WPRC meeting.
- 85 b) Mr. Ungar mentioned he will be out for the November and
- 86 December meetings due to scheduled back surgery.
- 87 c) Mr. Bill Shaffer and Ms. Lynn Stevens will be invited to the
- 88 November regular meeting to discuss their respective programs.
- 89 d) The December regular meeting will include discussion of the 2010-
- 90 2011 budget, election of officers, and setting of 2010 meeting dates.
- 91 8) The commission adjourned at 9:06 PM, Mello/Uzenoff motion and
- 92 second. All in favor.
- 93
- 94 Respectfully Submitted,
- 95 David Juneau
