2) Presentation of Chief's report for March, 2010—Chief Troxell

Overtime for March was high due to the fact that Officers Miceli and Powers were out with line of duty injuries. Insurance will reimburse the department and those funds will be put back in the salary fund and can be moved to overtime if needed. Commissioner Phillips

and Chief Troxell will go before the Board of Finance to ask for a supplemental appropriation in the amount of \$25,000.00.

3) Presentation on Police Forensic Computer Program—Sgt. Brodacki

In the Memorandum of Understanding from the State for this program it stated that an Officer would be required to attend training three days a month, Selectman Weinstein elected not to sign it and would like more justification as to what we get in exchange.

The Commissioners will review the memorandum and would like Sgt. Brodacki to put together a full blown presentation.

4) Sub-committee Reports and Assignments
- **Police Radio Reference Checks**

The Commissioners divided up the references for Marcus Communications and Tait Radios and made calls. The majority says that Murcus Communications is one of the best. Not many use the Tait radios but those who do find them to be more than satisfactory.
