Girls Inc. “Glow Girls”, is an eclectic blend of Girls Incorporated of Southwestern Connecticut *Media Smarts*SM and *Discovery Leadership*[®]. Girls learn how to critically analyze what they see and hear in the media; advocate for change in entertainment, news, and advertising media. Through this program they create images that are more realistic and reflective of their best lives. *Discovery Leadership*[®] allows girls the opportunity to make decisions, take responsibility, and initiate projects that affect our world. Girls will build their leadership skills and create lasting social change through action and awareness.
