Summer 2020

Jr. Eagles camp takes much of what you've loved in summers past and added exciting new adventures, games, and fun! Activities include American Red Cross swim lessons two days a week at Weston Middle School pool, arts and crafts, water play, story time and activities at the Weston Library. **Weekly days at Bisceglie Pond for swimming, sand castles & Friday Pizza Parties!** We're also happy to welcome back Christine's Critters- an animal adventure group that will visit the camp. **Little Kickers** karate instructor; Kerin Whitmore will return weekly. Little Kickers teaches children the basics of karate, control, and discipline through lots of fun games and activities. The lessons will be structured around mindfulness and end with several yoga poses.

If you have a specific question about Jr. Eagles or have a specific medical issue you wish to discuss please email Joe at jparciasepe@westonct.gov
