APPLICATION AND CONDITIONS

Any qualified person shall be permitted to conduct, singularly or jointly, a tag sale for a period not exceeding three consecutive days once in any 12-month period upon written application to the Chief of Police setting forth the persons conducting the tag sale, the place and date, etc., provided that permission to conduct any tag sale shall be subject to the following conditions:

- A. No goods shall be brought to the premises to be used for the purposes of public sale except where several resident neighbors agree to jointly conduct such sale of personal household goods from the premises of one such neighbor or where the tag sale is conducted by a nonprofit group or organization as defined above. The Chief of Police may, upon written application of two or more parties, or upon application of a nonprofit group or organization, grant permission to conduct such sale.
