THEATRE PROGRAM

WHAT IS THE FOCUS OF THE 3-WEEK MUSICAL THEATRE PERFORMANCE PROGRAM?

Our program provides an opportunity for young performers to participate in a musical and develop an appreciation for the theatrical process. Preparation for an ensemble production is a team effort and therefore we stress that no one actor is more important than another. Students not given lead roles will participate fully in all of our ensemble production numbers.

DOES EVERYONE GET A SPEAKING ROLE AND/OR SOLO IN THE SHOW?

As we are producing a full-scale musical production, all students may not have the opportunity to have individual speaking roles, and/or a solo; however, we highlight each and every performer in our productions. All students will be expected to be engaged in the entire rehearsal process, and will be performing in all of the musical ensemble numbers.

*** Auditions take place during the first 2 days of camp ***

CAN MY CHILD MISS A WEEK OF THE 3 WEEK PROGRAM?

Tuition cannot be prorated for students unable to attend 3 weeks. In addition, students are required to attend the entire 3rd week, as it is TECH week and attendance is mandatory. If a child cannot attend all 3 weeks, he/she may not be considered for a leading role.

CAN MY CHILD PARTICIPATE IF THEY ARE INTERESTED IN WORKING ON TECHNICAL ELEMENTS OF THEATRE?

Yes. Our program will include a tech strand where students will work on costuming, scenery, stage crew, lights and sound. We will need to limit the number of participants on this track. This will be based on the number of actors in the production.
